

High School Scheduling Information-LaSalle Intermediate Academy

2016-2017

Name:

LaSalle 8th Grade Families-

We are entering an exciting time of year for your children! Starting on January 4, 2016, I will be meeting with all 8th grade students in a small group setting for a 3-day workshop on high school scheduling.

There will be a parent/guardian meeting night on Monday, February 1, 2016 from 5:30-6:30pm in the LaSalle Auditorium. At this optional meeting, we will go over the details of high school scheduling ☺

The actual dates for high school scheduling are not yet official. I will send out more information as soon as I receive it. Each family will get a 15-minute scheduling date/time to sit with a high school counselor. During that time, high school counselors will have a teacher recommendation sheet, transcript, valid test scores, and student career interests. That information, along with family collaboration, will be used to create your child's course requests for freshman year. The student 3-day workshop and parent meeting will prepare families for these scheduling meetings.

Please do not hesitate to contact me for further information! All updates will be sent home with students and on my website.....
